RE: Change in Ownership of Water Right 96-02019

Dear Ms. Bandy & Mr. Trost:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

✓ **Legal Description of Property**

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of the water right license for your reference. Please note that the 'check' marks indicate a match with the property listed on your deed. The highlighted areas are not listed on your deed and should be included if you are changing the entire water right into your names. If you are only taking the portion that you have submitted documentation for it will require a split of the existing water right and an additional \$75.00 filing fee is required.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

A handwritten signature in black ink, reading "Kari Lynn Townsend". The signature is fluid and cursive, with the first name "Kari" being the most prominent.
