Dear DWR Agent,

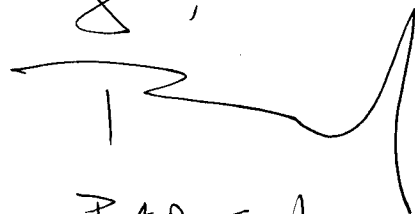

Please find enclosed Application for Transfer of
Water Right on # 72-00106E.

Alan Bittner at BLM in Salmon has kindly
assisted me in the submission of this form and the
supporting documents. He assured me he would
send you a copy of the BLM survey showing Lot 2.
His phone # is 208-756-5423.

My sale of this property is pending the
transfer of this water right. I sincerely appreciate
your efforts to expedite this transfer, if at
all possible.

Appreciate your attention!

Thank you,
