Re: Application for Transfer of Right No. 63-2787 for City of Nampa

Dear John:

The City of Nampa filed a transfer application in early 2004 – also known as your file Vista Ridge GP File No. 6806-6. The applicant requested that the application be held without processing for one year.

The Idaho Department of Water Resources (IDWR) requested additional information from the applicant last month. IDWR noted the application would be terminated without a timely written response. The deadline to reply was July 8, 2005. The applicant did not respond.

Therefore the application is returned. Although the enclosed application appears to be a copy, I have been assured it is the original document.

Please contact me at your convenience if you have any questions.

Sincerely,

Steve Lester
Water Rights Supervisor
