10. Remarks:

This well was drilled by the Egglestons without the knowledge that a water right was required, but we are filing now as required. They obtained the property from the estate of Clyde Hughes, then divided it with family and friends. The west home belongs to the Egglestons, the east home belongs to the Deishers, and the south home belongs to the Brodines. The Brodine lawn is watered from this well, but the other lawns are watered under Permit 47-8185.

11. Map of proposed point of diversion and place of use attached? ☐
