Re: Petition for Reconsideration of the Preliminary Orders Licensing Water Right
Number 22-7262 and Water Right Number 22-7319, owned by the Allen Ball and
Connie Ball Living Trust

Dear Mr. Keen:

We appreciate your responses to our Petitions for Reconsideration, both of which were dated July 14, 2005. In your letter, you granted us 30 days to support our Petitions by stating the specific changes we request and by providing documentation to support our requested changes. After reviewing your letters, the Beneficial Use Field Reports for both water rights, and discussing the matter further with our client, we have decided to withdraw both petitions for reconsideration. As a result, we will not be providing any additional documentation to support our petition. We request that you license both water right 22-7262 and 22-7319 as shown in their respective preliminary orders.

If you have any questions, please call me at 208-523-0620, or email me at rharris@holdenlegal.com.

Sincerely,

Robert L. Harris
