2ND REQUEST!!

RE: Change in Ownership Water Right No. 74-4028, 74-4029, 74-4030, 74-4031

Dear Mr. & Mrs. Jackson:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☒ **Legal Description of Property**

The issues discussed in our letter of September 12, 2001 have not yet been addressed. The support documentation you have provided for this ownership change is insufficient evidence of your ownership. Please refer to the copy of our 2001 letter and partial decrees, enclosed for specific discrepancies. We ask that you address this matter as soon as possible.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have questions, please contact me at 208-287-4962.

Sincerely,

Kandice L. McDermott
