Re: Change of Ownership for Decreed Water Rights 74-4028, 29, 30, 31

Dear Mr. & Mrs. Jackson:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ✓ Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ✓ Legal Description of Property
- ✓ Plat of Property or Survey Map usually on file with the county

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water rights indicated in your notice. I have enclosed a copy of the decreed water rights for your reference. Please note that while your legal description specifies Township 21 N, Range 23 E which matches our records, the sections of 27 and 28 in your records do not match the sections of 22, 33 and 34 on the decrees.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed and the unused portion of your filing fee (\$100.00) will be refunded.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,
