As you have requested I am attaching copies of the September, 2000 Proofs of Beneficial Use, and the evidence supplied by Gaylen Clayson on July 14, 2005, for the Cedar Arch ~~Drain~~ ^{Sprinkler}. I have not reviewed the information Mr. Clayson has provided for reinstatement of the two lapsed permits as referenced above. Upon my review of these documents, I can send you a copy of the department's decision for reinstatement of these permits, if you will supply me a mailing address for you.

Please contact me at the above number if you have any problems with the transmission of this fax, or if you have any additional questions.
