7. kwalker 7/29/2005 Permit Review

Comment: Exam fee was submitted late so had to advance priority date for this reason. Also, examiner found all 1.5 cfs could be recommended under this license but exam fee limits amount to 1.0 cfs. Have included information regarding additional flow in cover letter with amendment. Examiner recommended we license for fish prop. storage because that is what this right was permitted for. Examiner found only a recreational fishing pond so requesting amendment to change nature of use.

8. kwalker 8/5/2005 Exam fee

Comment: Permit holder submitted late exam fee and late payment penalty with licensing amendment. License for 1.5 cfs that examiner found.

9. kwalker 7/29/2005 Priority Date

Comment: The priority date of this permit has been advanced by order dated 7/28/2005. Advancement due to late exam fee.
