Re: Water Right 87-7152 AND 87-4178

Dear Mr. Krick:

Thank you for notifying us of the Change in Water Right Ownership regarding the above referenced water right.

I phoned and left a message on your answering machine regarding the ownership change for the above referenced water rights, but have not heard back from you. You enclosed a check in the amount of \$25.00 that we have deposited and applied to Water Right No. 87-7152. There is a \$25.00 fee for **EACH** water right on which ownership is to be changed.

I am holding the paperwork on both of these until we receive your check in the amount of \$25.00 for the ownership change for the second water right. 87-4178.

I am returning to you a **copy** of the paperwork that you submitted to our office concerning the Change of Ownership regarding these water rights. I have highlighted Item 2.A. regarding the appropriate **FILING FEE**, and am enclosing a copy of the instructions on which I have highlighted Item 8.

Please send us your check or money order in the amount of \$25.00 to cover the Water Right No. 87-4178. We will receipt the funds, send both receipts to you with a letter acknowledging receipt of the paperwork and funds, and then forward the paperwork on to our State Office for processing.

If you have any questions, please call me at 208-769-1450.

Sincerely,

Dianne Ball
Administrative Assistant
