RE: Change of Ownership for Water Rights 97-7060 & 97-7214

Dear Ms. Cox:

In accordance with our telephone conversation today, I have enclosed a partially completed Notice of Change in Water Right Ownership request form. As we discussed, the form needs to be completed by your clients, Jay and Sherri L. Osborne to include the signature of at least one of the Osborne's.

Also enclosed are the copies of the warranty deeds that were submitted to our office. I have put notes on each of the deeds indicating the required disposition for them. Warranty Deed # 633982 clearly describes the lands involved with the above referenced water rights, however it needs to include the signature of the seller and the notary that witnessed that signature. Warranty Deed #633981 will not be required as support data and is returned for your disposal.

I will be able to complete the ownership change processing for your clients immediately upon receipt of the completed request form and the completed Warranty Deed #633982.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend
Secretary
