Re: Application for Amendment of Permit Nos. 45-07567 & 45-07588
(Southwest Irrigation District)

Dear Mr. Parsons:

The Department of Water Resources acknowledges receipt of the Applications for Amendment of Permit as referenced above.

This office will be advertising the applications in the South Idaho Press on 3/3 & 3/10/97. A period of ten days following the second publication will be allowed for the submittal of protests.

If an application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it will be forwarded to our State Office in about five weeks. State office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Very truly yours,

mb
