

MEMORANDUM

Date: August 01, 2005
To: Water Right File 37-21479
From: jstanton
Re: Amended Apps

Apps 37-21479 & 21480 were amended 7-27-05 by the applicant coming in and making changes to the printed applications; no amendment forms were filed. The amendments just removed the backup well from each app so that each water system would be completely separate; readvertising is not necessary per Allen (he took the changes; I was not involved).
