RE: Change in Ownership for Water Right No. 25-10418 & 25-10419

Dear Water Right Holders:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership filed in September 2003. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question, including legal description of property. *The legal description on your Warranty Deed does not match the place of use for the water rights indicated in your notice. In order to complete the ownership change, we will require additional evidence of ownership for these water rights. Enclosed is a computer report of the water rights with the missing portion highlighted.*

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L McDermott
Records Analyst
