PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 65-22893

Dear Mr. and Mrs. McDonald:

The department has received the proof of beneficial use form you submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to confirm the beneficial use of water being made in connection with the permit.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have any questions concerning the field examination, please contact the Western Regional Office of the department in Boise, Idaho, at 208-334-2190.

Sincerely,

A handwritten signature in black ink that reads "Shelley W. Keen". The signature is written in a cursive, flowing style.
