Re: Evaluation of Sufficiency of Information Submitted

Transfer proposes changing the point of diversion location to a new well to be drilled on the applicants property (Lot 2 Serendipity Acres Subdivision) approximately 0.90 mile north and 0.20 mile east of the center of Hailey. The right is currently diverted from an existing well approximately 450 feet to the southwest (on Lot 4 Serendipity Acres Subdivision) of the applicants property.

- **Authority to File:**
IDWR records show the applicants are the current owners of the right involved with the transfer.
- **Water Right Validity:**
The right involved in the transfer was licensed in 2002.
- **Injury to Other Water Rights:**
None anticipated. Proposed point of diversion change is only about 450 feet away.
- **Enlargement of Use:**
None anticipated.
- **Local Public Interest:**
No negative impacts anticipated.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
