RE: Application for Transfer No. 71402 / Application for Permit No. 45-13852

Dear Corey:

Please find enclosed the following applications (and accompanying exhibits) that were recently completed by Six S Ranch LLC:

Application for Transfer No. 71402

- | | |
|-----------|--|
| Exhibit 1 | August 31, 2004 letter from Bruce Lium (American Water Resources) and July 30, 2004 letter from John Probasco (Bush & Gudgell) |
| Exhibit 2 | Design Map of Wetlands (Bush & Gudgell) |
| Exhibit 3 | Design Map of Sediment Catchment Basins (Bush & Gudgell) |
| Exhibit 4 | Affidavit of Woody Estes |
| Exhibit 5 | Color Map of Wetlands |

Application for Permit No. 45-13852

- | | |
|-----------|--|
| Exhibit 1 | August 31, 2004 letter from Bruce Lium (American Water Resources) and July 30, 2004 letter from John Probasco (Bush & Gudgell) |
| Exhibit 2 | Color Map of Sediment Catchment Basins |

It is my understanding that these two applications will be processed together since mitigation for any associated consumptive use with the application for permit (evaporation / volume) is being fully mitigated through the transfer. I have included a check (\$1500) for the appropriate filing fees for both the transfer (\$210) and the permit (\$1290) applications.

Please let me know if you have any questions or if you need any additional information regarding these applications.

For your information I am also filing two *Notice of Change of Water Right Ownership* forms for Six S Ranch LLC today as well. All water rights formerly held by Six S Ranch, Inc. and Emery Ranch L.C. have been transferred to Six S Ranch LLC.

Sincerely,

BARKER ROSHOLT & SIMPSON LLP
