Re: Application for Transfer No. 71402 / Application for Permit No. 45-13852

Dear Corey:

As discussed at our meeting earlier today, Six-S Ranch LLC would like to clarify some matters regarding the above referenced applications.

First, please withdraw application for transfer no. 71402 and have the Department refund the filing fee (\$210) to our office here in Twin Falls. Six-S Ranch is currently in the process of redesigning the proposed wetlands and will file a new transfer application sometime in the near future.

Second, Six-S Ranch would like the Department to continue with processing application for permit no. 45-13852 for the two sediment catchment basins above the Point of Rocks reservoir. As noted at our meeting this morning, I have deleted the reference to the former transfer application (71402) so the application for permit is now ready to proceed. Please call me at 733-0700 if you have any questions. Thank you for your attention to these matters.

Sincerely,

BARKER ROSHOLT & SIMPSON LLP
