RE: Phone Conversation with Roger Hoopes

Date: July 18, 2005

.....

Mr. Hoopes called me this morning. He was going to fax a copy of his authorization to do business in Idaho and list of officers in corporation to me this morning but his fax machine is broken. I told him I could get the information for authorization off the Sec. of States page.

He verbally gave me this list of members in the corporation:
Potter-Clinton Development Inc., Bozeman, MT
E. Brent Hoopes, Tetonia
And Roger Hoopes, Tetonia
