RE: Application for Permit 22-13359

Dear Mr. Hoopes:

On May 16, 2005, we discussed this application on the telephone. This letter is just to remind you that I need more information in order to proceed with the approval of this application.

We need to have some documentation that West Rim LLC is authorized to do business in the State of Idaho. We also need to have a listing of the officers in this corporation. During our telephone conversation you stated you would get the requested information to me but I have not received anything yet.

Please submit the information at your earliest convenience so we can finalize the issuance of this application. The Department will hold further processing of your application for 30 days to allow submittal of the required information. Additional time may be granted by the Department upon receipt of a written request and sufficient justification for an extension. After that time, if adequate information is not received, the Department will issue a preliminary order to reject or deny the application.

If you have any questions in regard to this matter, please feel free to contact me at (208)287-4953.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
