Total number of acres irrigated:

Use of water under this license is subject to control by the watermaster of State Water District No. 33, Little Lost River.

This right, when considered with all other rights common to the same grazing allotment, shall be limited to the quantity of water beneficially used by the number of stock within the allotment.

NOTE: The right to the use of the water hereby confirmed is restricted and appurtenant to the lands or place of use herein described, as provided by the laws of Idaho. Modifications to or variance from this license must be made within the limits of Section 42-222, Idaho Code, or the applicable Idaho Law.

This right is subject to all prior water rights and may be forfeited by five years of non-use.
