Payment of a tax delinquency.

When a tax becomes delinquent, payments are posted to the roll and applied to costs, interest, late charge and delinquent tax in the proportion each bears to the total amount due.

See IDAHO CODE 63-1002.

Filing of material by mail. Date effective.

A post office cancellation is considered the filing date. A postage meter is not an acceptable post office cancellation mark.

See IDAHO CODE 63-217.

Effect of failure to receive notice.

If you do not receive a tax notice on property, this does not excuse the late charge and interest for non-payment.

See IDAHO CODE 63-902(9).

REAL PROPERTY

All taxes extended on the property roll are payable on or before December 20. The taxes may be paid in two equal halves. If the first half is not paid on or before December 20, that half becomes delinquent and a 2% late charge must be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of the following year. If the first half tax has been paid in part, late charge and interest are calculated on the remaining first half tax. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% late charge must be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of that year. If the second half tax has been paid in part, late charge and interest are calculated on the remaining tax.

All taxes extended on subsequent or missed property rolls are payable within thirty (30) days of the billing date and become delinquent if unpaid thirty (30) days after the bills are mailed. See IDAHO CODE 63-903.

PERSONAL PROPERTY or MANUFACTURED HOUSING

See IDAHO CODE 63-904(2).

All taxes shown on personal property and manufactured housing are due and payable on demand. If no demand is made, the taxes may be paid in two equal halves. The first half is due and payable on or before December 20, and the second half is due and payable on or before June 20 of the following year. If the first half is not paid on or before December 20, that half becomes delinquent and the **entire tax becomes due and payable**. A 2% late charge must be added to the delinquent half. Interest is calculated at the rate of 1% per month beginning January 1 of the following year on the delinquent half and late charge. If the first half was paid in part, late charge and interest are calculated on the unpaid portion of the first half. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% late charge must be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of that year. If the second half has been paid in part, late charge and interest are calculated on the remaining tax.

The county tax collector may issue a demand for payment on any personal or manufactured housing tax which becomes due and payable on the demand date. If the tax is not paid, it becomes delinquent the day following the demand date.

When any part of a tax becomes delinquent, a **warrant of distraint is issued** to the county sheriff for its collection.

Before the tax becomes delinquent, the board of county commissioners may grant up to a four month extension to pay the tax, late charge and interest. A warrant of distraint is not issued until the extended time expires. There are **no extensions given on the second half**.

See IDAHO CODE 63-201(13), 63-904, and 63-1013.

TRANSIENT PERSONAL PROPERTY

Taxes on transient personal property are due in full on demand. If no demand is made, the taxes are due and payable on or before December 20. If the tax is not paid on or before December 20 or the demand date, the full tax becomes delinquent and a 2% late charge must be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of the following year. If the tax has been paid in part, late charge and interest are calculated on the remaining tax.

When any part of a tax becomes delinquent, a **warrant of distraint is issued** to the county sheriff for its collection.

See IDAHO CODE 63-201(24), 63-313, and 63-904(5).

OCCUPANCY TAX

Occupancy tax is due and payable according to the same schedule as manufactured housing, or real property, whichever is applicable.

Payment of a tax delinquency.

When a tax becomes delinquent, payments are posted to the roll and applied to costs, interest, late charge and delinquent tax in the proportion each bears to the total amount due.

See IDAHO CODE 63-1002.

Filing of material by mail. Date effective.

A post office cancellation is considered the filing date. A postage meter is not an acceptable post office cancellation mark.

See IDAHO CODE 63-217.

REAL PROPERTY

All taxes extended on the property roll are payable on or before December 20. The taxes may be paid in two equal halves. If the first half is not paid on or before December 20, that half becomes delinquent and a 2% late charge must be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of the following year. If the first half tax has been paid in part, late charge and interest are calculated on the remaining first half tax. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% late charge must be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of that year. If the second half tax has been paid in part, late charge and interest are calculated on the remaining tax.

All taxes extended on subsequent or missed property rolls are payable within thirty (30) days of the billing date and become delinquent if unpaid thirty (30) days after the bills are mailed. See IDAHO CODE 63-903.

PERSONAL PROPERTY or MANUFACTURED HOUSING

See IDAHO CODE 63-904(2).

All taxes shown on personal property and manufactured housing are due and payable on demand. If no demand is made, the taxes may be paid in two equal halves. The first half is due and payable on or before December 20, and the second half is due and payable on or before June 20 of the following year. If the first half is not paid on or before December 20, that half becomes delinquent and the **entire tax becomes due and payable**. A 2% late charge must be added to the delinquent half. Interest is calculated at the rate of 1% per month beginning January 1 of the following year on the delinquent half and late charge. If the first half was paid in part, late charge and interest are calculated on the unpaid portion of the first half. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% late charge must be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of that year. If the second half has been paid in part, late charge and interest are calculated on the remaining tax.

The county tax collector may issue a demand for payment on any personal or manufactured housing tax which becomes due and payable on the demand date. If the tax is not paid, it becomes delinquent the day following the demand date.

When any part of a tax becomes delinquent, a **warrant of distraint is issued** to the county sheriff for its collection.

Before the tax becomes delinquent, the board of county commissioners may grant up to a four month extension to pay the tax, late charge and interest. A warrant of distraint is not issued until the extended time expires. There are **no extensions given on the second half**.

See IDAHO CODE 63-201(13), 63-904, and 63-1013.

TRANSIENT PERSONAL PROPERTY

Taxes on transient personal property are due in full on demand. If no demand is made, the taxes are due and payable on or before December 20. If the tax is not paid on or before December 20 or the demand date, the full tax becomes delinquent and a 2% late charge must be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of the following year. If the tax has been paid in part, late charge and interest are calculated on the remaining tax.

When any part of a tax becomes delinquent, a **warrant of distraint is issued** to the county sheriff for its collection.

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the Department within fourteen (14) days of the service date of the order. The Department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See section 67-5243(3), Idaho Code.

EXCEPTIONS AND BRIEFS

Within twenty-one (21) days after (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from a preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding. Otherwise, a preliminary order will become a final order of the Department.

If any party appeals or takes exceptions to a preliminary order, opposing parties shall have twenty-one (21) days to respond to any party's appeal. Written briefs in support of or taking exceptions to the preliminary order shall be filed with the Department. The Department retains the right to review the preliminary order on its own motion.

ORAL ARGUMENT

If the Department grants a petition to review a preliminary order, the Department shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Department will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Department orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Department in connection with a preliminary order shall be served on all other parties to the proceedings in accordance with Rules of Procedure 302 and 303.

FINAL ORDER

The Department will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Department may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its issuance if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) the petition for reconsideration is disposed of; or
- (b) the petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMORANDUM

TO: Files 33-07014 & 33-07056

FROM: Pam Skaggs²⁸/State Office

SUBJECT: Transfer 5298

DATE: December 17, 1998

Transfer 5298 adds & changes the point of diversion, and changes the place of use under Rights 33-07014 and 33-07056. The applicant is describing his existing system to more accurately reflect the existing combined system and permissible place of use. Existing wells and currently irrigated acres are described under the transfer application.

These rights were examined by SRBA field review and 305 total acres were found to be irrigated under these combined groundwater rights. These rights supplement surface water rights that irrigate an additional 44 acres.

Irrigation season and diversion volume were adjusted to reflect current standards. Other recommended conditions include multiple points of diversion/measuring devices, future annual reporting, supplemental groundwater conditions, irrigation overlap, permissible place of use, combined right limits and standard transfer conditions.

Dear Mr. Andreason,

RE: License No. 33-7014

Enclosed is a copy of the Water Right License issued on the above referenced Permit.

Please be advised that one of the conditions of your permit was that a measuring device be installed as part of your diversion works. That requirement has been waived with issuance of the enclosed license. However, in the event that water supply shortages become a problem installation of measuring devices may be required.

Dear Mr. Andreason:

One of the conditions of approval of your water Permit No. 33-7014 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before June 1, 1977. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
