Dear Sir:

Enclosed are claims for an unnamed spring (008-002) and for a spring (017-26) that needs your review. The claim on spring (017-26) appears to need item 5a changed to SW1/4 SE1/4 for the point of diversion (see enclosed copy of claim). The claim on the unnamed spring (008-002), in addition to the stock trough in the SE1/4 NW1/4, appears to supply water to trough "044" (NW1/4 NE1/4) and trough "045" (NW1/4 SE1/4). If all three are supplied water from this source then Item 6a needs to reflect the additional places of use within the appropriate grid box (see enclosed copy of claim).

Please review and return the enclosed claims within 30 days from the date of this letter.

Thank you,
