RE: Permit No. G-29044

Jay D. Little
Howe, Idaho

Dear Mr. Little:

Our field engineer found, when he made his inspection of the above numbered permit, that the land list had been advertised wrong, and that the NW¹/₄SW¹/₄, Sec. 16 was never included in the permit.

Since, under the law, the correct list of lands must be advertised we are forwarding a new legal notice to the paper. This will be done at our expense since we did not catch this error on the legal notice before it was sent to the paper.

However the NW¹/₄SW¹/₄, Sec. 16 was never included in your permit. If you want this 2 acres included in your license it will be necessary to amend the land list to cover it. We have prepared an amendment with your land as our engineer found it. Complete and return it to this department with \$1.00 fee for recording.

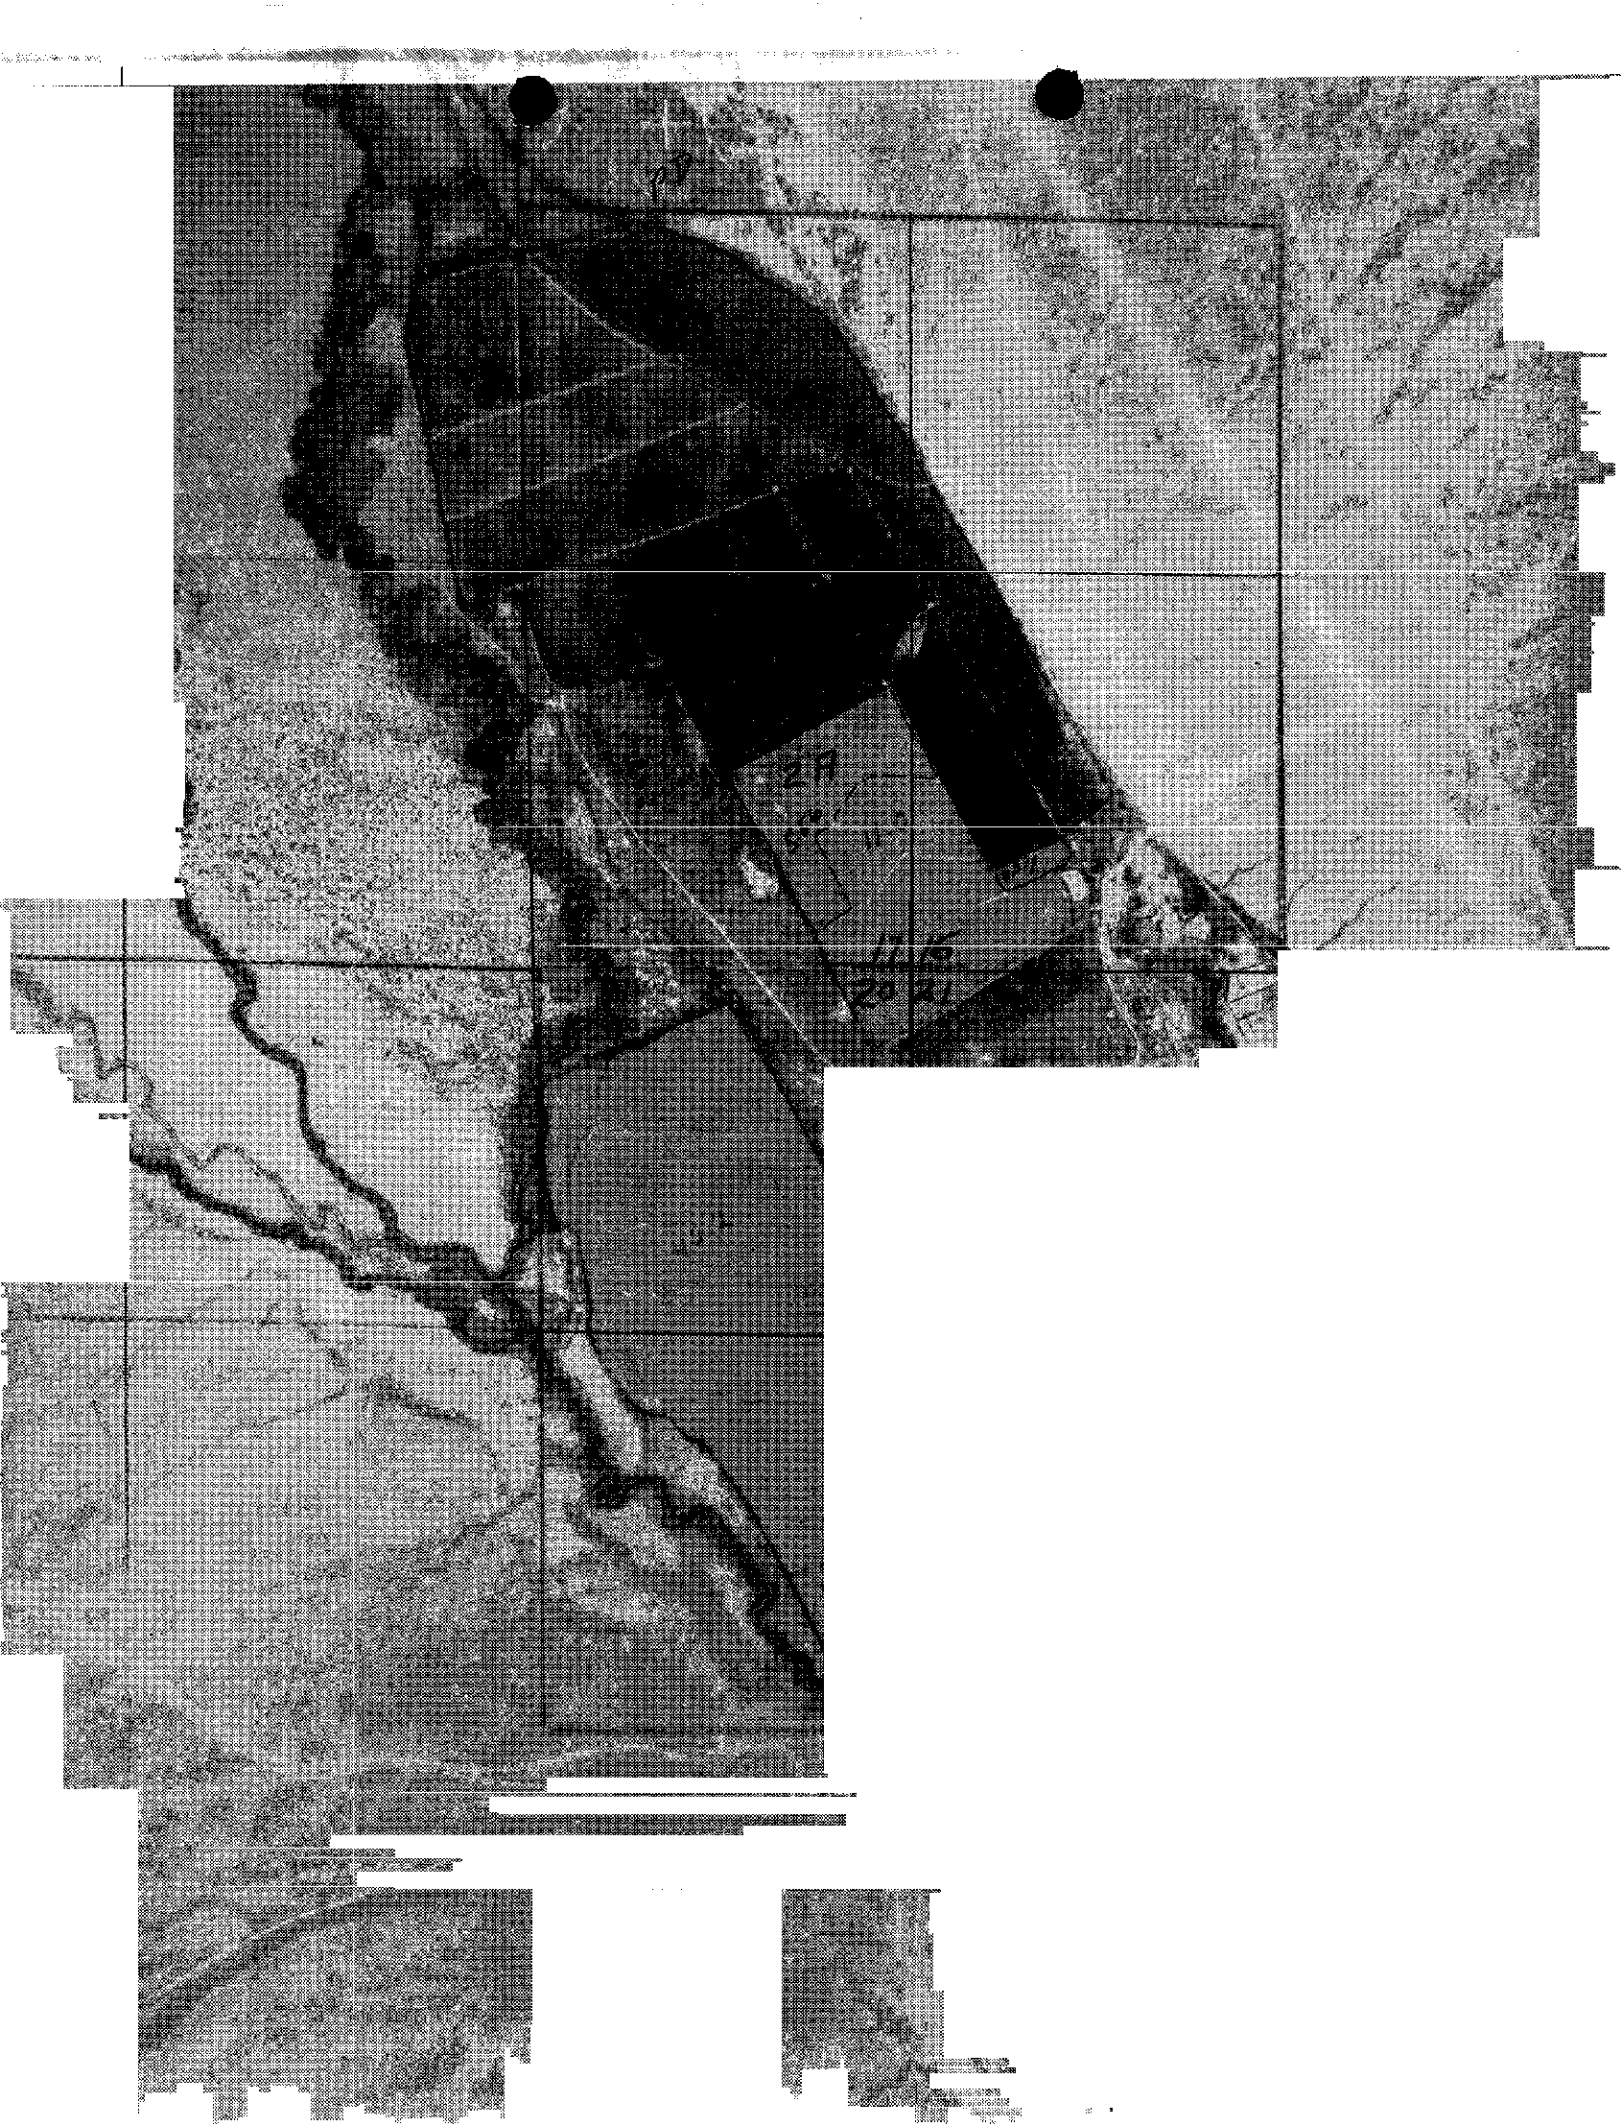

Very truly yours,

M. Russell Bosch

Box 700, Idaho Falls, Idaho

Dear Mr. Jenkins:

Your letter in regard to the mortgage has been placed in the file and the permit record has been marked.

The small errors in the land list are not important if he has shown some land in each of the 40-acre subdivisions. Mr. Little should be cautioned to make his proofs on the land he owns and not on other lands.

Very truly yours,

GEO. N. CARTER
State Reclamation Engineer

Dear Mr. Carter:

The Farmers Home Administration recently closed a real estate loan for Jay D. Little of Howe, Idaho. In reviewing Permit No. G-29044 we found that he has shown 1 acre of land to be irrigated in NW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec 20, Twp 7 N, Rge 28 E1M; also 9 acres in the SW $\frac{1}{4}$ NW $\frac{1}{4}$, Sec 16, Twp 7 N, Rge 28 E1M. According to our findings he does not own land in the above described areas. The 1 acre should be added to the 10 acres in the SE $\frac{1}{4}$ NE $\frac{1}{4}$, Sec 20, and the 9 acres should be added to the SW $\frac{1}{4}$ SW $\frac{1}{4}$, Sec 16.

Please advise us if any changes have to be made regarding this permit.

Sincerely yours,

Henry E. Jenkins

RE: Application for Permit

Jay D. Little
Hewe, Idaho

Dear Mr. Little:

Your application for permit to appropriate subterranean water has been received without the required filing fee of \$5.50 for 3.0 cubic feet per second.

The land list under 12 on the second page has been changed slightly by increasing the amount of land in the SE $\frac{1}{4}$ of Section 17 to 72 acres, and one acre shown in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 20 to agree with the maps, making a total of 157 acres.

Kindly send this office the filing fee and your application for permit will be processed.

Very truly yours,
