RE: Change in Ownership for Water Right No. 79-10248

Dear Water Right Holder(s):

This letter is to follow up on our telephone conversation held in early May, 2005. You indicated that you would be attempting to obtain a quit claim deed for the water right in question in order to receive full ownership of the water right. As of this date I have not received any further correspondence from you, and must request that you address this matter as soon as possible.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

A handwritten signature in black ink that reads "Kandice L. McDermott".
