RE: Change in Ownership for Water Right No. 63-28295

Dear Mr. Martens:

This letter is to follow-up on correspondence sent to you by our office in September 2000. According to the documentation submitted by you, Lone Star Farm is a family owned business in which you have a part. You have requested an address change. In a conversation with Mrs. Martens in October 2000, our office requested a copy of the Lone Star Farms partnership agreement for our records.

In order to complete your request, we will require this documentation for the file. We will also require that you complete the enclosed address change form for our records.

Please forward to our office the requested information as soon as possible. Because the Department cannot process the address change without proper documentation, we will hold any action on your notice pending receipt of further information from you. If we do not receive the necessary documentation **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L. McDermott
