To Whom It May Concern:

On June 14, 2004, we received notice our water right transfer #71099 had been approved by your office. Since this time, we have not been able to utilize this livestock water right and understand that this will be the case in the future.

Accordingly, we respectfully request a cancellation of water right transfer #71099 and return the water right to its original beneficial use for irrigation. Thank you for your immediate attention on this matter and please don't hesitate to contact either myself at 208-709-1820 or Troy Clayton at 208-709-1835.

Sincerely,

Seth Cannon
