RE: 45-4258B & Transfer Application #71611

Dear Mr. Schenk,

Thank you for responding to my last letter of April 8, 2005 and for the information you provided. I have been directed by our State Office staff to contact you once more to request additional information regarding the **consumptive use** of the water at your facility. Perhaps some numbers regarding the size and total of cows served by the facility will satisfy their concerns as to whether an enlargement of the right may have occurred.

The Department will again hold further processing of your application for **30 days** to allow submittal of the required information. Additional time may be granted by the Department upon receipt of a written request and sufficient justification for an extension. After that time, if adequate information is not received, the Department will issue a preliminary order to reject or deny the application.

Sincerely,
