RE: Change in Ownership of Decreed Water Right 37-11855

Dear Mr. & Mrs. Hennefer:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question including legal description of the property.

The warranty deed (dated March 24, 1989) that was provided with your change of ownership request includes water right 37-0524 and **excludes** all other water rights and canal stock which are retained and reserved by the Seller and Grantor. If a later warranty deed has been recorded which includes water right 37-11855 we would need a copy of that to facilitate the processing of your request for that water right. If you agree that water right 37-11855 should not be changed to your ownership, we will return your request and refund the \$25.00 filing fee.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kara Alder
