RE: Remark No. 9 on Permit

Date: November 16, 2000

.....

Roxanne Brown from the SRBA came to me this morning with a question about a remark listed on this permit. She has been dealing with an objection submitted by the Forest Service regarding remark No. 9 on the permit. The Forest Service said this remark should say, "Domestic use is for Snowbank FAA facilities" instead of "Snowball" FAA facilities as shown on permit. In looking at the application for permit I must agree with the Forest Service and have corrected the remark in our data base.
