RE: Apps For Transfer 71999 & 72001; My Letter Dated 6-29-05

Dear Mr. Hults;

The question of mitigation for your two transfers was discussed at a recent meeting in our Boise office, where it was determined that no mitigation would be required due to the coarseness of the computer model that we are presently using. Therefore, please disregard my previous letter. Processing of your transfers will continue based on what was originally filed.

I do have one small question. Are you Joseph Hults, or Joseph Hults Jr.? There is some confusion on this in our database, so I would like to clear this up.

Regards,

James E. Stanton
Sr. Water Resource Agent
