

NOTICE OF PROPOSED CHANGE
TO WATER RIGHTS

Notice is hereby given that an Application for Transfer has been filed with the Idaho Department of Water Resources for changes to water rights within Twin Falls County: **The CITY OF HANSEN, PO BOX 170; HANSEN ID 83334**, filed **Application No. 72033** on 4/22/05. Transfer proposes adding points of diversion and changing the service area boundary for the City of Hansen municipal water system. Currently the city has three groundwater rights each listing a separate well as an authorized point of diversion. The application proposes identifying each of the three existing wells, and a fourth new well to be drilled, as authorized points of diversion for each of the rights and increasing the service area to include additional tracts of land around the city limit boundary. The new well is proposed to be drilled approximately 800 feet north and 1000 feet east of the Highway 30 / Rock Creek Road intersection. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under (E) New Water Right Applications. Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before July 18, 2005. The protestant must also send a copy of the protest to the applicant.

Karl J. Dreher, Director
