Subject: Applications for Transfer of Water Rights for the Lansing Lane (PN563-1416), Northside Boulevard (PN581-0272) and Farmway Road (PN572-842) Meeting House Projects in Canyon County, Idaho

Dear Dan:

This letter provides a response to items 2, 3, and 4 of your letter of February 23, 2005.

Item 2 – Landscape Areas. Landscape plans for all three facilities showing well locations are enclosed.

Item 3 – Transfer of Less than 1.0 Acres of Water Right. Revised transfer applications for the Northside and Farmway sites are enclosed. As you know, the Northside transfer involved a 1.2-acre portion of water right 63-4949 and a 0.5-acre portion of water right 63-9972. The Farmway transfer involved a 2.4-acre portion of water right 63-9972. To get around the Department's policy of not allowing transfer of water rights of less than 1.0 acres, we have reconfigured the distribution of acres, so that Northside will receive 1.7 acres of water right 63-9972, and Farmway will receive 1.2 acres of 63-9972 and 1.2 acres of 63-4949.

The architect for the Farmway project has informed us that the planned irrigated area has increased to a total of 4.0 acres. We have located a water right owner that is willing to sell 1.6 acres of water right 63-7194. As a result, the Farmway transfer has been amended to show transfer of a total of 4.0 acres of water right, consisting of 1.6 acres of 63-7194, 1.2 acres of 63-9972, and 1.2 acres of 63-4949. We will forward a completed purchase agreement for the 1.6 acres of 63-7194 within the next few weeks.

Item 4 - Relinquishment of Surface Water Rights. We request that the transfers be processed under the third option listed in your letter. Therefore, please consider this letter as a formal request that the Department include a condition on each water right that says that prior to diverting groundwater under these transfers, the Church will take the necessary steps to remove surface water rights from the property.

I trust that this information is sufficient to allow you to proceed with processing. In the meantime, please contact me with any questions.

Sincerely,
