Mr. Hannula,

I apologize for not getting back to you sooner on this matter. I agree with your assessment in your 1/20/2004 email. I will hold your application until the change of ownership information has been processed, since it is an integral part of the transfer processing. I currently have a request into Jeff Peppersack to keep me informed on this issue, but you may want to contact me as soon as the change of ownership is completed, so we can begin work on the transfer.

Respectfully,

Daniel A. Nelson
Senior Agent
Western Region
Idaho Department of Water Resources

Subject: Paramount Transfer

Mr. Nelson:

On December 3, 2004 Paramount Owners Association (POA) filed two changes in ownership, a Request For Extension Of Time To Avoid Forfeiture, and a revised Application for Transfer. Jeff Peppersack identified some problems with the ownership changes, which we are working on right now, as well as questions on the number of acres being transferred. I believe you still have the request for extension of time and the transfer at the regional office.

With this e-mail, please hold any further processing on the Application for Transfer until the Change in Ownership issues are resolved with Mr. Peppersack.

Also, regarding the Request for Extension of Time, I will ask the applicant send a letter to withdraw that request.

If you have any questions, please call.
