WATER RIGHT NO. 37-10869
As Modified by Transfer No. 71878

CONDITIONS OF APPROVAL

1. The total instantaneous diversion of water from all points of diversion under Right 37-10869 shall not exceed 0.07 cfs.
2. The quantity of water under this right shall not exceed 13,000 gallons per day.
3. The quantity of water decreed for this water right is not a determination of historical beneficial use.
4. The point of diversion and place of use are located on Gooding County Parcel No. RP05S14E1366011.
5. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.
6. Prior to diversion of water under this approval, the right holder shall provide lockable controlling works for all authorized points of diversion. The controlling works must be suitable for control of the diversions and acceptable to the watermaster.
7. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
8. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
9. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
