WATER RIGHT NO. 61-11975
As Modified by Transfer No. 69725

CONDITIONS OF APPROVAL

1. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code.
2. The total instantaneous diversion of water from all points of diversion under Rights 61-11975 and 61-10663 shall not exceed 1.97 cfs, nor total combined annual volume of 352 af.
3. Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the Department from all authorized points of diversion which will allow determination of the total rate of diversion.
4. After specific notification by the Department, the right holder shall measure the diversion or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.
5. Commercial use is for a dairy located within the NE, Sec 3, T5S, R6E.
6. The dairy operation authorized under this approval shall comply with applicable county zoning and use ordinances.
7. The place of commercial use authorized by this approval includes land upon which wastewater may be applied for irrigation purposes to satisfy water quality requirements. Water diverted under this approval shall not be used for irrigation unless the water is first used in the dairy as authorized by this water right.
8. Use of water under this approval shall comply with applicable water quality standards of the Department of Environmental Quality.
9. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
10. The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.
11. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
