Gentlemen;

Enclosed is the corrected copy of the application for permit, the property description is now as listed on the Title Insurance policy and not as listed on the well drillers report. I am enclosing this letter both to thank you for your prompt attention to the application and for the instructions as to how to get the application in the proper form. I do not know if it is important or not for the well drillers report to be accurate but Hiddleston drilled the well for domestic use, sent in the required report on 5-6-74 and indicated it as being drilled at the following location: NW $\frac{1}{4}$, SW $\frac{1}{4}$, Sec. 12, Township 3 S, Range 6 E... This should also have been as is now indicated on the application I am now submitting.

Thank you for the prpmt attention,

Respectfully yours,

Howard D. Gardner
