Att: Rita Fleck

Dear Madam;

I received your letter and Proof of Application form. We have not completed our project and we filed for an extension in February, 1978 that expires in April, 1979.

We have a well drilled by Hiddleston Drilling and Ron Hiddleston told me it produced 54 gallons per minute which is not enough so I have asked them to test pump the well to get actual production.

I talked to Idaho Power and they said they have a lawsuit at the present time and will not hook up a pump of sufficient size to irrigate the property. On the strength of that I hereby request an extension of (1) one year to complete our project.

Please change our address to P. O. Box 871, 3550 N18E St., Mtn. Home, Idaho, 83647.

Dear Sir;

We have not completed our project and wish to file for an extension of one year at this time.

We have cleared eighteen acres of the twenty acres and have disced same and are in the process of getting bids for the well, pump, and irrigation equipment needed for a sprinkler system.

From what Hiddleston Pump and Drilling company tell me I need a 10HP 3phase pump to complete the system. We do not have 3phase power so I went to Idaho Power and they still say they can't supply power for a new diversion. Please see accompanying letter. On the strength of this, I hereby request an extension of another year to complete our project.

Your application for a 10 horse power pump located at S½ NW¼ NW¼ Sec. 18 T3S, R7E, B. M. , Elmore County, is considered a new diversion of water, which could result in a depletion in the flow of the Snake River; due to the Moritorium on new irrigation from the Snake River, at this time.

RECEIVED

Dear Sir:

MAR 6 1978

I am writing in regards to water permit#61-7147. I have had Hiddleston Pump Service drill a well in 1976 and at 120 feet it produces 54 gallons per minute. In 1977 we installed a small pump for domestic water supply. The irrigation pump and measuring device will not be installed until July, so I am requesting a six month extension on the water permit.

Sincerely yours,

Stuart L. Day *extend
