Gentlemen:

One of the conditions of approval of your water Permit No.'s 61-7139, 61-7140, 61-7141, 61-7142, and 61-7143 (see last page of your approved permits) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before April 1, 1974. Enclosed are affidavit forms which must be used to submit the required proofs of beneficial use.

If you have not fully completed your projects, and you have not previously received extensions of time, you may request an extension of time provided the delay is for reasonable causes as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted for each permit.

Either the beneficial use affidavits or a request for extensions of time must be received by this Department on or before the above mentioned date, otherwise the permits will lapse and be of no further force or effect.
