RE: WATER RIGHT NO. 61-04006

Department of Water Resources

Dear Mrs. Carleton:

Your letter of June 13 inquired about conveying the above referenced water right to your son sometime in the future. To properly answer your question about such property rights, legal counsel should be consulted. The Idaho Department of Water Resources (IDWR) cannot provide legal counsel in such matters.

However, I can inform you that changes in water right ownership can be accomplished by completing the enclosed form. The form is used by IDWR to record water right ownership changes as required by Idaho law. Perhaps legal counsel can advise you on how to accomplish a water right conveyance under the terms of your estate.

I hope this information proves helpful.

Sincerely,

Steve Lester
Water Rights Supervisor

RE: Water Right #61 - 04006

Dear Sirs:

My husband, William F. Carleton, died in October of 1994. William B. Carleton is our only child.

Please advise me the procedure to follow in passing my interest in the above water right to William B. Carleton upon my death. Can this Right be conveyed by filing some kind of "Pay on Death" affidavit?

Thank you for your attention.

Yours truly,

A handwritten signature in cursive script that reads "Dorothy H. Carleton".
