ORDER AMENDING PARTIAL
DECREE TO CORRECT CLERICAL
ERROR; I.R.C.P. 60(a)

A partial decree was issued for the above-captioned uncontested water right on October 26, 2000. Subsequently it was brought to the attention of the Court that there are certain omissions in the partial decree. Apparently, the partial decree omitted certain remarks regarding the quantity limitation for the domestic portion of the water right, the irrigation season of use, and the other provisions necessary for the definition or administration of the water right. These remarks were all included in the *Director's Report and Recommendation* for this water right. The water right was uncontested and therefore the remarks should have been included in the partial decree. The Court finds the omissions to be the result of a clerical error.

THEREFORE, pursuant to I.R.C.P. 60(a), IT IS ORDERED AND ADJUDGED that the partial decree previously issued for water right 61-02208 is hereby amended to correct a clerical error as set forth in the *Amended Partial Decree Pursuant To I.R.C.P. 54(b)*.

This order is being entered *nunc pro tunc* as of October 26, 2000, and is not intended to modify any subsequent administrative changes to the water right, if any, which occurred following entry of the *Partial Decree*.
