Dear Mr. Bauer:

Statutes requires a field inspection in connection with the proofs on Permit # G-25903 before license and certificate of water right can be issued.

Such inspection and report on same is required for any and all permits being brought to license within this State.

An inspecting Engineer from this Department requests that you or someone familiar with the terms of the permit and representing you be prepared to accompany him on the inspection, on Wednesday morning, April 20th, as soon as we can drive over from Boise, probably between 9:00 and 9:30 A. M.

If he cannot get in touch with you by phone or otherwise he will drive to the well location or point of diversion given in the permit.

Mr. Robert F. McLaughlin,
Attorney at Law,
430 East 2nd South St.,
Mountain Home, Idaho.

Dear Mr. McLaughlin:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-25903, in the name of Henry O. Bauer. Final Proof is to be made before you, as Notary on the 11st day of August, 1959, at 10:00 o'clock A.M., at Mountain Home, Idaho.

As of this date we have mailed the Notice to the Mountain Home News with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

GEO. N. CARTER

Re: Permit No. G-25903

Dear Miss Anderson:

I write you in regard to an application for permit to appropriate subterranean waters of the State of Idaho, application number G-33772, permit number G-25903, Henry O. Bauer, for one and one-half inches for irrigation and an inch for domestic use and cabin use in Block 69 of Jerome's Addition to Mountain Home, Idaho.

Mr. Bauer now has his permit and is desirous of receiving the order for publication and proof. Under Idaho Code 42-217, it requires that the department order its publication and proof in some newspaper in the county for a period of four weeks, and the department shall fix a date when such proof shall be submitted and name the place where the proof will be received.

I would appreciate it very much if you would enter the order and instruct me. The Glenns Ferry Gazette and the Mountain Home News are two certified newspapers in Elmore County. If you would set the dates for the periods of advertising and the time for the hearing of proof, I will make provisions for the advertising. The examination will be had before Robert F. McLaughlin, notary public in Mountain Home, Idaho, at whatever time and place your department states.

Thanking you in advance for your consideration.

Sincerely yours,

Robert F. McLaughlin
