Dear Mr. McNulty:

Mr. Park has handed us the Affidavits of Publication in the Glenns Ferry Gazette in connection with your proofs of Beneficial Use under the above numbered Permits.

Before final action is taken in the matter, the law requires that a field examination be made by an Engineer from this Department.

We are unable to say just when this examination will be made as this Department has but one field Engineer who makes examinations all over the State.

However, Mr. Tolman, Field Engineer for this Department, will try and contact you at the time he makes the examination in order that you may arrange to show him over the grounds.
