E. NARRATIVE/REMARKS/COMMENTS

An 8" well with a 20 HP submersible pump can supply water to 13 lots. Only one of the lots has been developed. The only irrigation at the time of the exam was for one lawn. 6.5 acres were recommended for irrigation based on 1/2 ac/lot for future lawn use. Shari Hill Estates consists of 14 lots. Lot 1, Block 2 was not stubbed into the system.

The system utilizes three pressure tanks and a 2"-4" buried PVC. No other water etc are used.

(Amt recommended for internal dom use was based on dept standards.)

1. Volume Calculations for Irrigation:

$$V_{I.R.} = (\text{Acres Irrigated}) \times (\text{Irrigation Requirement}) = 6.5 \times 4.5 = 29.3$$

$$V_{D.R.} = [\text{Diversion Rate (cfs)}] \times (\text{Days in Irrigation Season}) \times 1.9835 = .13 \times 246 \times 1.9835 = 63.4$$

$$V = \text{Smaller of } V_{I.R.} \text{ and } V_{D.R.} = 29.3$$

2. Volume Calculations for Other Uses:

$$13 \times .6 = 7.8 \text{ af internal domestic use}$$

PROOF DUE NOTICE

RE: PERMIT NO. 57-07575

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before August 1, 1995.

(See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a complete field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this department on or before the above described proof due date. If neither is received, the department will send you a lapse notice. Within sixty (60) days of the mailing of the lapse notice, the permit will no longer be of any force nor effect.

SINCERELY,

JULIE L. YARBROUGH
Senior Secretary
