RE. Water Right No. 51-10122
Change Water Right Number

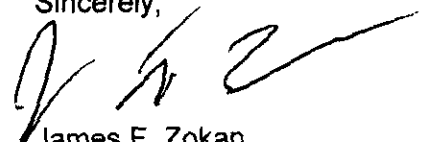

Dear Mr. Merrick:

The Department of Water Resources recently found two discrepancies with your Water Right. The first 2 numbers in your water right number represents the water basin. That number was incorrect. It was not suppose to be 51, but rather 57. When we change a basin number it then changes the rest of the water right number. The new number for your water right is 57-11658. This does not affect your use or quantity in any way. A copy of your water right with the new number is enclosed.

The other thing we found out while correcting this problem is that you have a new address. Also enclosed is a Change in Address form. Could you please fill this out and send it back to us, so we can make the appropriate changes.

Thank you for your cooperation. Please feel free to contact me at 208-327-5452 if you have any questions.

Sincerely,

James F. Zokan
Senior Water Resource Agent
