TRANSFER SUMMARY

57-01018, 57-01019, 57-01020, 57-01131, and 57-01132 were decreed in the Reynold's Creek decree. Since all have a common priority date, they were combined in the SRBA and recommended as decreed under 57-10726.

BLM then objected the SRBA claim because some public land was listed in the P/U. The original owner (Gabica) failed to catch the P/U inaccuracies in the original decree. The purpose of this transfer is to correct the P/U inaccuracies and to settle BLM's objection to the SRBA claim by removing the stockwater use off BLM land and onto private land.

Attachments include:

2. List of P/D's

RE: Snake River Basin Adjudication (SRBA) Claims
Jaca Transfer: 57-10726.

Dear Ms. Brown:

By this letter I state that I have the authority to act on behalf of the United States, Dept. of Interior, Bureau of Land Management (U.S.D.I., BLM), with myself as its agent, to the matters discussed herein. I understand that Elias Jaca wishes to transfer water under right 57-10726 from the federal public property to land which Mr. Jaca owns as private property. The federal public property legal descriptions are as follows: T03S R04W S27 SWSE; T04S R04W S12 NESW; and T04S R04W S14 NWSE.

I understand that the Idaho Dept of Water Resources (I.D.W.R.) cannot complete such a transfer of water under a water right without the notarized consent of the landowner where the water right describes land not owned by the transfer applicant.

On behalf of the United States and the U.S.D.I., BLM, my notarized signature below provides the necessary consent to facilitate the transfer.

If there are questions regarding any statements above, please do not hesitate to contact me at 373-3831 or at the address provided above.

Sincerely,

Fredric W. Price
Water Rights Specialist

Responding to Preliminary Orders Issued by the Idaho Department of Water Resources

The Idaho Department of Water Resources (Department) issues water right permits, licenses, and transfers as preliminary orders pursuant to section 67-5243, Idaho Code. A preliminary order can and will become a final order without further action of the department unless a party petitions for reconsideration or files an exception and/or brief as further described below:

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the Department within fourteen (14) days of the service date of the order. The Department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See section 67-5243(3), Idaho Code.

EXCEPTIONS AND BRIEFS

Within twenty-one (21) days after (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from a preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding. Otherwise, a preliminary order will become a final order of the Department.

If any party appeals or takes exceptions to a preliminary order, opposing parties shall have twenty-one (21) days to respond to any party's appeal. Written briefs in support of or taking exceptions to the preliminary order shall be filed with the Department. The Department retains the right to review the preliminary order on its own motion.

ORAL ARGUMENT

If the Department grants a petition to review a preliminary order, the Department shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Department will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Department orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Department in connection with a preliminary order shall be served on all other parties to the proceedings in accordance with Rules of Procedure 302 and 303.

FINAL ORDER

The Department will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Department may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its issuance if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) the petition for reconsideration is disposed of, or
- (b) the petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMORANDUM

TO: File 57-10726

FROM: Pam Skaggs²⁸/State Office

SUBJECT: Transfer 5142

DATE: April 13, 1998

Transfer 5142 changes the points of diversion and place of use under Right 57-10726. The application states that no changes to historic use will occur, only corrections to the right as recorded. The change will also remove the right from several quarter quarters of land owned by BLM and assist in the removal of their objection to final SRBA recommendation.

Region staff did not contact the watermaster of Water District 57-R for comment. I will pursue collecting the required information and hold processing of the approval until the matter is resolved. Standard diversion volume was identified for 800 range cattle as identified under the SRBA recommendation

Recommended conditions include watermaster control, multiple points of diversion/measuring devices and standard transfer conditions.
