Section 42-225a, Idaho Code

AMENDED

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. **The filing of this claim does not confirm the water right but will serve for information purposes only.** It may, however, become the basis for future adjudication of the water right by the Court.

Notice is hereby given that ORVILLE P. &/or DORIS E. BISH

(name of claimant)

of Route 1, Marsing, ID 83639

(mailing address)

claims a right to the diversion and beneficial use of

the public water of the State of Idaho

Dear Mr. Bish:

After reviewing your claim, I found an error in the legal description. The description should read NE $\frac{1}{4}$ NE $\frac{1}{4}$ Sec. 16, Twp. 2N, Rge. 4W (instead of 4E). I have prepared another claim with the proper description. Please sign it before a notary and return it to this office. No fee is required.

Dear Mr. & Mrs. Bish:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Sincerely,
