Mr. Olan Cossel

Nampa, Idaho

Dear Mr. Cossel:

We enclose License and Certificate of Water Right issued on Permit No. 23653, confirming your right to the use of $\frac{1}{4}$ inches, or 0.88 second foot of water from a natural drain, tributary to Jump Creek, with priority of February 2, 1953, with point of diversion in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 10, Township 2 North, Range 5 West, B.M., for irrigation, domestic and stock use on the S $\frac{1}{2}$ NE $\frac{1}{4}$ of said Section 10.

When we wrote you on November 4, advising that a License would be issued for 38 inches, we overlooked the fact that you had also irrigated 6 acres in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 10, so the License is made for $\frac{1}{4}$ inches instead of 38 inches.
