Dear Mr. Blick:

Enclosed is your affidavit, Proof of Completion of Works, for diversion of water from Hard Trigger Creek, and forms for application for amendment to the point of diversion, and Form No. 12 amendment to land list.

Our records show the point of diversion to be in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 19, T. 1 N., R. 3 W. whereas your affidavit shows the diversion to be in the NW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 30. Fill out the form for amending the point of diversion to correct our records.

Under eighth: land to be irrigated, the last "40" was SW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 20 which was crossed out and SE $\frac{1}{4}$ NE $\frac{1}{4}$, inserted. Our records show SW $\frac{1}{4}$ NE $\frac{1}{4}$ as being correct and is also part of the land under your Desert Entry. In case the SE $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 20 is actually being irrigated, the land list will have to be amended to include that "40".

There is no fee for the amendments. There is a \$5.00 fee necessary before we can issue the certificate of completion of works which should be attached to your affidavit when returned to this office.
