Re: Permit No. 14102. - Gem Irr. Dist.

Mr. J. H. Lowell, Secretary,
Gem Irrigation District,
Caldwell, Idaho.

Dear Sir:-

The report of our examining engineer for completion of works under the above permit is now on file. Upon receipt of statutory fees in the sum of \$5.00, the certificate will be issued.

In going over the land to be irrigated, the engineer found an error in describing Lot 3, Sec. 3, T. 3 N., R. 5 W., B.M. The permit gives this as Lot 3 when it is in fact Lot 8 of Sec. 3. To correct the records in this particular, an application for amendment should be filed upon the enclosed blank.
